GOOD NIGHT & HAPPY WANKING!

Docs say a tug is nature's Valium

IN GREAT news for dozy grub-grabbers everywhere, a German health insurance company has advised everyone to KNOCK THE TOP OFF IT in order to get a good night's sleep.

And that includes the ladies – they've been told that TICKLING THE TACO at bed time is the best way to get forty winks, short of watching a Cate Blanchett fillum, and we wouldn't wish that on anyone.

The company, Germany's second biggest health insurer Barmer Krankenkasse, chucked out a Facebook post telling any of its customers that are having trouble visiting the land of nod should SORT THEMSELVES OUT, thusly:

"For pulsating nights... Masturbation helps you fall asleep. If you can't sleep again, just put your hand on yourself or get a toy to it, then sleep comes all by itself."

And there's a picture of a hand with some sort of FILTHY SEX TOY.

Daniel Freudenreich, a spokesman for Barmer, said the post was real, adding: "There are still topics that are often kept secret, even though they concern the vast majority of people."

You beaut little WANKER, Danny! ■ Picture

WE'RE ALL GOING ON A...

WUMBA HOLIDAY!

Daisy Watts enjoys tits-out travel

WE DON'T know about you, readers, but seeing Daisy Watts cavorting about wearing fuck-all in some exotic foreign joint makes us STIFF with envy.

'Cos while we're sitting here in the Aussie winter freezing our big, blue nuts off, the Pommy model is by some spiffy hotel pool getting up to GOD KNOWS WHAT, and we would REALLY like to be there with her.

See, when Daisy goes on holidays to trendy spots like Ibiza she always asks some of her spunky model mates like India Reynolds, Rosie

DAISY GETS
CRAZY!

WUMBA HOLIDAY!

Jones and Kelly Hall to tag along for company.

They all fly out there, get dressed in a couple of bits of string and a CORK, and get stuck into the HOOLIGAN SOUP.

And then it's FUCKEN ON, readers!

"We get really drunk and post loads of photos on Twitter," blabs Daisy BOOBILY.

"It's a game we have – we try to get as many naked snaps of our friends as we can. I've been caught out lots of times. There have been some very rude snaps of me that have had to be taken down."

Sounds heaps better than sitting at home huddled in front of a two-bar radiator watching re-runs of Home and Away, eh.

"Summer gives me the perfect excuse to wear no clothes," continues Daisy, oblivious to our FUCKEN SUFFERING.

"My ideal outfit involves wearing as little as I can get away with in public."

Hey, how about that – US TOO!

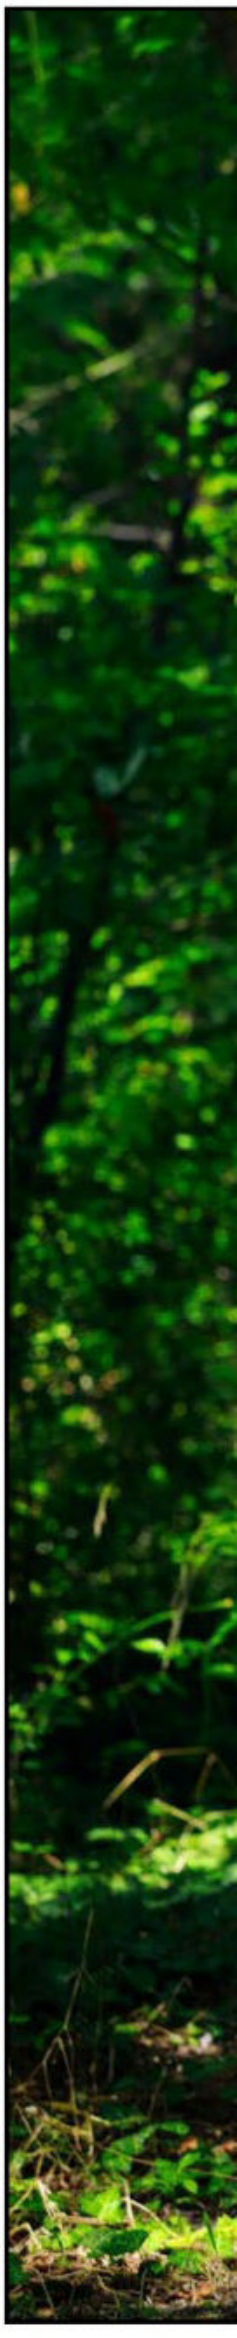
So save us a spot by the pool, Daisy – we'll be over as soon as we smash the change jar and find out how much a bus ticket to this Ibiza joint is. ■ Picture

WOBBLY WORLD

EXTRA! EXTRA! READ ALL ABOUT TIT!

GERMANY!

Nadine Jansen likes to give her H-cup titties a chance to warm themselves in the sun from time to time. After all, they've made the German model a fucken fortune!



SANTA CRUZ!

You'll notice this space-age zippin' around machine Kally is piloting in sunny California doesn't have any headlights. Luckily she brung her own. Impressive are they not?

LAS VEGAS!

Rosie's doing a beer run for the boys before the footy. Oh yeah, and they said bring snacks. But what's good to nibble on and goes well with beer? Titties, you bet!

PRAGUE!

What is it about Czech chicks and cheap elastic – they can't seem to keep their clothes on for shit! Dakota Pink doesn't look too worried, but. Hasn't done her career any harm.

GERMANY!

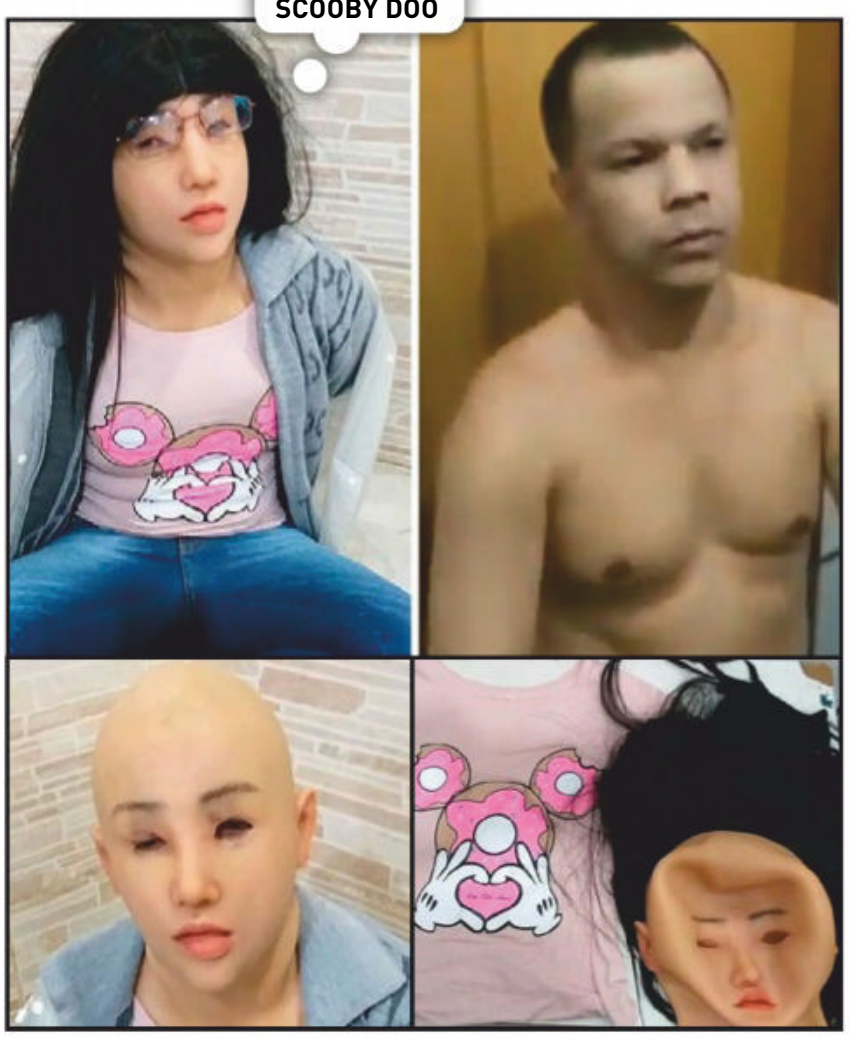
Paige was being chauffeured around town and the air-con wasn't working, so what's a girl to do? At least she made sure the guy up front doing the driving had a good day.

TORONTO!

Canada is known as being a friendly joint, so Zoey Lee, from just over the border in Washington, USA, tried her luck with a boob flash. They loved her! Yay Canada!

NEWS FLASH

THIS SHIT REALLY HAPPENED!



FACE OFF!

A BRAZILIAN gang leader tried to escape from prison by dressing up as his daughter when she visited him behind bars. Prison officials reckoned he looked a bit suss on the way out and pulled off his mask. Old mate says his plan was to leave his daughter in the prison – which won't get him nominated for Father of the Year any time soon.

If being a Pom wasn't bad enough

WHAT'S HIS NAME?

A FORMER soldier who changed his surname to 'Fu-Kennard' for a laugh says the joke has backfired after he was denied a passport. Kenny Fu-Kennard, 33, whose surname used to be Kennard, changed his name using a deed poll in 2016. Now his application for a passport has been denied because his name 'may cause offence'! Fu-Kennel! What's wrong with the world?!

CHRIST ON A BIKE!

WHY ride your chook chaser when you can ski it instead? That's what Aussie legend Robbie Maddison and his Seppo mate Aaron Colton were probably thinking when they recently unleashed a series of two-wheeled tricks on the Aegean Sea, while at the Greek Island of Mykonos. "The whole experience was awesome," said Colton. "I got to travel halfway around the world to meet up with one of the best freestyle motocross riders in the world and collaborate on creating something that - once it's done - we will remember forever."

FATHER BED!

A RETIRED priest has found a brand new career as a porn star and says he is enjoying "mind-blowing" sex. Seppo bloke Norm Self, from North Carolina, feels "more vibrant" than ever, because his "erotic energy has taken over". Good for Norm. It sure beats bashing the Bishop.

SLIME YOURS!

EVER thought about rescuing a dog from the pound? This Polish chick rescued a giant African snail from her local pet shop where she says it was in poor health. Now she can't be apart from him. "I had dreamed about owning a giant snail since I was in primary school," she said. "I don't even mind when he covers my body in slime."

EAT YOUR GREENS

POM bloke Tony Jeyes munched his way into the record books at the annual World Stinging Nettle Championships by eating 17.5 metres of the horrible stinging plant. It probably helped that he had a few pints to wash it down, but we reckon it's gonna be EVEN MORE painful on the way out.

Ryan Connor

Being a porn star at the age of 48 means that Ryan has learned one or two things about arse care – keep it well oiled, and floss frequently.

Lana Rhoades

Lana's arse is her meal ticket, and she knows it. In G-strings, yoga pants or au naturel, it deserves to be worshipped, so bend the knee, blokes.

Eva Lovia

It's a little bit Spanish, a little bit Japanese. Eva's beautiful butt has some exotic roots but mostly it's an all-American porn powerhouse!

Jessa Rhodes isn't a dentist, she's a porn star, so we don't know why we can't show you her face. Still, her arse more than makes up for it.

WHO: Clumsy Pom James Pattison

WHAT: Tripped over and face planted on a tent peg

WHERE: Newcastle, Pomgolia

IF YOU'RE thinking of going camping, don't ask stumble-footed Pom James Pattison, 'cos he'll probably end up covering your tent with BLOOD.

Jimbo, 28, was putting up a tent in a field with his missus and some friends when his inner galoot came to the fore, and he stumbled and hit the deck.

UN-beautly for him, his noggin came down on a fucken great metal pole holding the tent down, and in it went.

"I was throwing a rope over one of the marquees, I let go of it and tripped, falling headfirst into the peg," he explained STUPIDLY.

"At first I just thought I had something in my eye then I stood up and realised it was a tent peg."

Of course, everyone had a good old laugh, and then they rang the ambo when they realised that Jimbo wandering around with a metal pole jammed in his eye might not be good for campsite morale.

The HIGH-LARIOUS bit was when they went to put Jimbo into the scanner at the hossie and he couldn't fit in because of the POLE IN HIS HEAD!

Talk about funny!

Anyway, the pole missed anything important – like Jimbo's BRAIN – and after a three hour op he was good to go.

He might wanna stick to on-site vans from now on, but. ■ Picture

YOU'RE JOKING

100% POLITICALLY INCORRECT!

A YOUNG virgin was having a few beers to steel himself for his first trip to a brothel when an old drunk gave him some advice.

"Listen, son, you've gotta act tough or those sheilas will rip you off blind," he said. The young fella nodded and headed out the door.

When he got to the front counter at the knock shop, longneck in hand, he put a ciggie in his mouth, pulled out a match and struck it on the madam's nipple to light it. She turned around and bent over.

"You fucken beauty, it's working!" he thought to himself.

Then he asked the madam, "So you wanna do it doggy style, eh?"

"Nah," she said as she hoisted up her dress and dropped her undies. "I thought you'd want to open your bottle of beer first."

JOKE OF THE WEEK WINS $100

A YOUNG couple was making passionate love in the back of the man's panel van when suddenly the girl, being a bit on the kinky side, yelled out, "Oh, big boy, whip me! Whip me!"

The guy, not wanting to pass up a unique opportunity, obviously didn't have any whips to hand but, in a flash of inspiration, opened the window, snapped the antenna off his van and whipped the girl until they both collapsed in sado-masochistic ecstasy.

About a week later, the girl noticed that the marks left by the whipping session were beginning to fester a bit, so she went to her doctor. The medico took one look at the wounds and asked, "Did you get these marks having sex?"

The girl was taken aback and embarrassedly admitted that she did.

Nodding his head knowingly, the doctor said, "I thought so, because in all my years of medicine, you've got the worst case of van aerial disease I've ever seen."

T.B., DARLINGHURST, NSW

A BLOKE took his wife to the club one night. They saw another guy giving it everything on the dance floor – he was breakdancing, moonwalking, doing back flips, the lot.

The wife turned to the husband and exclaimed, "See that bloke over there? Well, twenty years ago he proposed to me and I turned him down."

"Really?" said her husband. "Looks like he's still fucken celebrating."

T.S., BRISBANE, QLD

A YOUNG bloke fronted a gorgeous sheila who was behind the counter at a watch repair shop and flopped his slug out. The sheila drew back, alarmed, and said, "I'm sorry, sir, we repair clocks here, not cocks."

"That's fine, sweetheart – I'm in the right place," said the bloke. "Could you just put two hands on this for me?"

F.F., HOWARD, QLD

A BLOKE was relaxing in his armchair in front of the TV, beer in hand, while his missus did the ironing. He looked at her and said, "You know, when I die, I'm going to leave everything to you."

She shot back, "You already do, you lazy bastard."

I ASKED 100 women which shampoo they preferred. The number one answer was "How the fuck did you get in here?"

IAN, VIA EMAIL

JIMMY and his missus were walking down the street when a dodgy-looking bloke popped out of a dark doorway, grabbed his wife, pulled out a knife and put it to her throat.

He looked at Jimmy and said, "Give me all your money or she gets it!"

Jimmy yelled, "She's already got all my fucking money!"

THE JOKE'S ON YOU

THIS WEEK: ORGASMS

* I gave my girlfriend an orgasm last night. She spat it back in my face.
* I'm having a meeting at my house for people who have trouble reaching orgasm. Let me know if you can't come.
* I've got this condition where I can't tell if I'm having an orgasm or urinating. I'm not sure if I'm coming or going.
*Orgasms are like opinions. Mine is more important and I don't care if she has one.
* My girlfriend told me that my jokes are like orgasms. She just doesn't get them.

Q. WHY DO WOMEN TAKE LONGER THAN MEN TO ORGASM?

A. WHO CARES?

Henry got talking to a really hot girl at the pub one night. After a few drinks, some dancing and a few shots, she agreed to go back to his place.

"I apologise in advance," she said with a smile as they walked into Henry's joint. "I'm a screamer, so your neighbours are probably going to have the shits with you in the morning."

"There's nothing to worry about," Henry reassured her. "I've never made a woman orgasm before, and I don't intend to start now."

MUNGO'S ON TWITTER

That's right, I'm tweeting me heart out for the people. None of that what-I-had-for-brekky or I-just-done-a-big-poo stuff, just my usual classy shit. It's at:
https://twitter.com/ThePictureMungo

MEAT IS MIGHTY

VEGANS have been protesting all over the country about everyone eating their piggy, moo-cow and chook mates. This shits me 'cos I really love eating them. If they get their way I'd starve. So it seems to me they're trying to kill me. What should I do about this?

P.L., TAMWORTH, NSW

MUNGO SAYS: As far as I'm concerned, everything eats everything else eventually. With that in mind, in my will I'm leaving my corpse to the zoo so they can feed me to the crocs. Maybe chuck a bit of the brisket to the lions. In the meantime, my tip is stockpile rump steak. It's a most under-rated cut, and quite reasonably priced.

CHERRY ON THE CAKE

MUNGO, for a long time I've had the horn for English actress Ashley Jensen, who played Maggie in that Ricky Gervais series *Extras*, and recently popped up again in his new show, *After Life*. She was also in that Seppo show *Ugly Betty*. Anyway, I was having a squiz at the usual array of spunky Homies in #1488 and I couldn't believe my eyes when I saw Pommy backpacker Cherry, who is the dead spit of Ashley, just a bit younger. Gotta be a Clones!

PETE, TATHRA, NSW

MUNGO SAYS: And here's me thinking I had Ashley all to myself. Yeah, she's hot alright (not English but Scottish, though) and I agree, Cherry could easily be her younger sister, or daughter, or whatever. Seeing Ashley in her nurse's uniform in After Life just added to her sex appeal for me. Oh well. Looks like we'll just have to share her, mate.

GUN SHOW

HI YA, Mungo. While visiting a museum in Cairns the other day, I could not help noticing at how well developed our tanks looked. Clearly we must have the best on show!

R.C., NO ADDRESS GIVEN

MUNGO SAYS: And that's on the slack. Imagine the firepower in that thing when it's barred up for battle! I tell ya, if China gets a look at our mighty weaponry they won't be too keen on taking over Oz any time soon. Respect the cock, comrades!

SANSA STARKERS!

G'DAY Mungo, do you know if redheaded *Game of Thrones* babe Sophie Turner, or as we know her - Sansa Stark ever done any nude modelling, because she is so hot. Or maybe you could even do a special on all the babes from *Game Of Thrones* who have got their pink bits out over the years.

R.H., HERVEYS RANGE, NSW

MUNGO SAYS: Done a few of them over the years, mate. Unfortunately Soph never got her norks out on the show, but here's a couple shots of Soph letting the puppies roam free while letting her hair down over in Ibiza. I dunno if you could class it as modelling, but it's beaut all the same.

HOWZAT!

NOW that we're back to smashing the Poms at cricket again how about an England versus Oz nude spunk test match. I know they have a lot of superstars, but surely our hot sheilas would take it. Maybe you could get Warnie to umpire it.

L.T., LITHGOW, NSW

MUNGO SAYS: All genius stuff except the bit about Warnie umpiring. I can see important decisions being compromised by the promise of a blowie behind the sightscreen. He does have some form in that area. But yeah, while our hatred of the Poms is red-hot, as it always is during an Ashes series, we may as well stoke it even hotter.

MUNGO WANTS TO KNOW...

How do you feel about lingerie? I don't mean wearing it, on babes. On the one hand, it looks hot, but when you see some it means you've still got more undressing work to do.

IN BED WITH KIKI

WHAT A TIGHTARSE!

I HAVE a problem: I've got a new girlfriend that I want to have anal sex with. We spoke about it and tried it but I can't get my penis all the way in. I've used lube and still can't manage. She told me she wants it, but she doesn't want it to hurt. Do you have any tips we can try?

PETE, KATOOMBA, NSW

***KIKI SAYS:* Head to your closest adult store and buy a beginners anal plug! If you're on a budget, find something around the house, like a carrot, to stretch that arsehole. Practice makes perfect! If that fails, then maybe your dick is too long! Good luck to you both!**

HORSING ABOUT

HI KIKI, I'm a big fan of the horse races. So big in fact, I dress my wife up with a colourful top and a horse tail butt-plug and ride her like a nag. What weird fetishes have you encountered in your fuck-filled life?

GARY, ROSEVILLE, NSW

***KIKI SAYS:* You must go hard around the Melbourne Cup! I go through phases with my own fetishes. And I've come across some strange fetishes from fan requests. One lovely fan did pay me to film myself masturbating with an electric toothbrush (handle) before posting it to him. I've always wondered if he brushes his teeth with it or gifted it to his missus.**

THAT'S THE SPITS

HEY Kiki, so I noticed that in porn films there tends to be a lot of spitting on each other's genitals. So when I picked up the other night I decided to give it a whirl. I got this chick's panties off then spat straight onto her pussy. She was not impressed, pushed me off, and told me to fuck off. What did I do wrong? It wasn't overly snotty or anything.

PAULO, MELBOURNE, VIC

***KIKI SAYS:* Hahaha, aww poor Paulo! In porn we root for around 30 minutes straight and it can get pretty dry down there. We can't stop and take a lube break, so my co-stars kindly spit on me to keep the action going. Your chick has def taken spitting as an insult! Poor girl was probably already wet as fuck.**

YOU CAM DO IT!

BABE, I'm thinking of becoming a cam girl. I heard they can makes of heaps of money just by playing with themselves in front of their computer. Got any tips for a beginner cam girl?

ELLIE, BRISBANE, QLD

***KIKI SAYS:* Hey Ellie, it takes patience and consistency to be a cam girl. I couldn't hack it, so kudos to any chick that does! To compete with the other babes out there it helps to have a niche, so decide who you wanna cater to rather than trying to please everyone. Good luck girl!**

KIKI'S SEX CONFESSION

"The coolest place I've had sex is in the tray of a Toyota Hilux whilst on the highway. The driver had no idea, and the drivers behind him gave a little honk every time they saw my bare bum."

INK BITS

WHY don't you get some tatts? I like chicks with ink. Like Trinity. She was fucken heaps hot ay. Do you like guys with tatts?

BIKIE BILL, PARRAMATTA, NSW

***KIKI SAYS:* Just thinking about Trin gets my panties soaked! Some tattoos are heaps hot and I've had a few tatts, like one on the back of my neck, but I've had them all lasered off. Truth is I couldn't find anything I liked permanently! Let me know what suggestions you've got- but right now I'm gonna leave the ink to the guys.**

ROOKIE NOOKIE

MY GIRLFRIEND and I just filmed ourselves having sex and when we watched it back we expected to get all horny again, but instead we were disgusted. We looked gross and ugly! My girl makes weird faces, I make strange noises, and we both look way fatter than we thought. Can you give us some pointers on shooting a good home fuck film?

PETE, SUBIACO, WA

***KIKI SAYS:* Welcome to the real world, Pete. I can't even watch my own flicks so I know them feels. Next time try some POV action, because in porn it's all about the angles. I'm happy to come over and give you guys some pointers if you want!**

KIKI WANTS TO HEAR FROM YOU!

Do you have a question only a SEXPERT like Kiki can answer? Do you want some advice on women in general? Or do you just want to ask about her XXX-rated sex life? YEAH? Then write to In Bed With Kiki, c/o THE PICTURE, GPO Box 5201, Sydney, NSW 2000, or send an email to picture@bauer-media.com.au. She's waiting!

PIN-UP

MORE OF BRIT'S BEAUT BLAMPS!

"I'M AN EXHIBITIONIST"

BRITTANY BOD has melted the hearts and STIFFENED THE COCKS of men the world over; from London to Logan, Paris to Prahran, New York to... er, Nairne. The 28-year-old Seppo and her beaut pink bits are a sight to behold no matter where you live.

"I love showing off my body," confesses the FAPWORTHY FILLY. "I'm definitely an exhibitionist."

And aren't we happy about it! Where's the strangest place you've ever stripped off?

"Maybe just the beach. I was sunbathing topless with a few girlfriends when we decided we wanted an all-over tan, so we took our bikini bottoms off!"

Any lucky passers-by catch a glimpse of you and starkers mates?

"Definitely. There were a few other people on the beach going about their day and one older guy who set up his towel very close to us."

We don't blame him! Ever played HIDE THE SAUSAGE outdoors?

"I did it in a park when I was younger. It was with an old boyfriend

and we were walking home from a night out when we felt the urge. So we climbed up the slide and fucked inside the little tunnel thing."

Did you try and fuck on the see-saw?

"We didn't think of that! That would have been fun. I lived near that park for a few more years and it always gave me a thrill when I walked past it and remembered what we did."

What kind of blokes get you FROTHING AT THE GASH?

"I like a man who has his shit together – has a job, is hygienic, can have an intellectual discussion, and who has a big cock."

Size matters, then?

"I think so, yes. I know some girls say it's about how you use it, but if you have a tiny penis sometimes it just can't hit the right spots. Mind you, I'm happy to be proven wrong."

We're sure a lot of blokes would take up that challenge. ■ Picture

PARTY FAVOURS

I WAS at a mate's house for a party, helping to celebrate his wife's 35th birthday. The drinks flowed freely through the night and the party finished late.

Everyone had finally left and I was helping with the big clean when Sarah (the mate's missus) came in and told me her lousy husband had fallen asleep and she couldn't wake him.

"Ah," I slurred, "it doesn't fucken matter, we're almost done anyway."

She then told me it wasn't the cleaning she was worried about, she was afraid she'd miss out on the special present her hubby had promised her.

Apparently, this mighty gift was to give her the chonking of her life and she told me there was no way she was gonna miss out on that.

Being a top bloke, and a good mate, I offered to fill in for him. Sarah smiled sweetly and unzipped my trousers. She spanked my cock for a few minutes until it decided to wake up and join the party.

Sarah caressed the length of it and licked it up and down, before taking it deep in her mouth. Somehow, as I was receiving this mind-blowing gobbie, I managed to undress her and found myself tweaking her nipples.

I lifted her on to the kitchen bench and removed her panties. She lay back and spread her thighs wide apart. I grabbed my cock and placed it on her moist fanny lips. Then I traced the top of my knob around her opening, threatening to stick it in but building up the tension.

Finally, she couldn't take it anymore and she grabbed my arse and pushed me toward her, causing my tocko to slide neatly inside her tight flaps.

She was writhing and bucking her body as I slid my pole in and out of her steaming moisty. Within minutes, she gripped me firmly and whimpered as her whole body shook with orgasm.

It was meant to be the best root she'd ever had so I kept going, helping her to two more orgasms before I sprayed my whippedcream into her fabulous come bucket.

We got ourselves together and finished the clean up as my mate groggily reappeared in the kitchen. He leered at his missus and told her that it was time for her pressie.

She smiled and said she'd like that.

WITNESS THIS!

EARLY one Saturday morning, whilst I was having a shower, there was a knock on the door. My husband had been working late so he was sound asleep in the bedroom. Knowing I had to answer it I jumped out of the shower, still dripping, and flung a bathrobe around me.

I made my way to the door where I found two young Jehovah's Witnesses waiting to deliver their sermon to me. I had nothing to do so I invited them in.

They introduced themselves as Tim and Tom and sat down to explain the finer points of their religion to me. I was getting rather intrigued when the topic of sex came up.

They explained, with a great uncertainty, that their belief was no sex before marriage. I countered by telling them that God wanted us to root and wasn't particularly concerned who we did it with or when.

With a flourish I opened my bathrobe and said, "So you're telling me you wouldn't want some of this?"

The bulges in their trousers gave the blokes away. I threw my bathrobe on the floor and grabbed Tim by the cock, rubbing it firmly through his pants. He seemed about to protest but the urge coming from his pants was overwhelming. I took that as my cue to take off his trousers.

My focus then turned to Tom and the same action had the same result. Soon both fellas were pantless with bulging stiffies pointing up in the air at me.

I took Tim's raging boner in my mouth slurping on it and licking the pre-come from the tip. Then I lead Tom by the cock around behind me and guided his God's gift into my dripping smoo.

Both guys had huge smiles on their faces now and were eagerly thrusting themselves into the respective holes they were enjoying.

Pretty soon they both came. I put my bathrobe back on and asked them if that changed their views. They both admitted that it had.

Then I sent them packing and hung round waiting for the husband to wake up and give me a proper rogering.

ME AND the missus had attended the christening of a three-month-old baby, born to one of my wife's good friends.

After leaving the church we returned to the parent's place for some celebratory drinks. After several schooners I heard a noise in the adjoining room and on looking inside I saw the mother about to breastfeed the baby. I went to go but she saw me and asked if I wanted to watch. I said I did.

She opened her blouse and took one of her beautiful full breasts into her hand and put the baby to the nipple. The kid sucked for a few minutes then went straight to sleep.

Coyly she asked if I'd be willing to milk her. I readily agreed and took both her milk jugs in my hands and gently massaged them. She sighed in pleasure, not even noticing the milk seeping from her tits.

Then she did notice and asked if I wanted a taste. I was up for anything at that stage, so I went the lick.

As I was suckling on her nip I noticed her hand wander down to her lap where she started to finger herself. I decided I could be of help in that regard and removed her hand, inserting two of my own fingers into her snatch.

She thrust herself forward to meet my fingers and shuddered, quite unexpectedly, as my clumsy gropings brought her to swift orgasm.

I massaged her pussy for a time, until she pulled me forward and grabbed my cock. She undid my pants and pulled my cock out.

She spread her legs wide and I thrust my cock deep into her. The pressure mounted and she exploded with another orgasm just before I shot a load of man juice inside her.

Then she went back to feeding the baby.

QUESTION OF THE WEEK:

WOULD YOU EVER GO TO AN ORGY?

GIRLS NEXT DOOR //

ALL AUSSIE! ALL AMATEUR! ALL THE TIME!

JADE // 30

SUFFOLK PARK, NSW

Among job hunting, visiting Brisbane, getting naked on the beach, going to music events and mixing with charlatans at psychic fairs, 30-year-old American visitor Jade is getting a taste of the local bratwurst. "I've been dating an Australian guy and it is the best sex ever." ***What makes it so 'best ever'?*** "We are super compatible. He is attractive but also open to experimenting." ***Hold the Bunsen burners. What was your last experiment?*** "Swallowing each other's spit." ***Yeah, sounds, erm, great.*** "It was delicious. It is fun to be messy." ***What is next on the list?*** "Butt stuff." ***Yours or his?*** "We'll see how it goes." ***The world seems to be split between anal fans and those who hate it. In which camp are you?*** "Like it. Need the proper angle and not an ass virgin dude." ***Blokes who've done some time should be right up your alley. Your chocolate one, that is.*** **WOULD YOU EVER GO TO AN ORGY?** "Sure."

BREANNA // 27

SPOTSWOOD, VIC

"I'm looking for a few girls to have a fuck fest with me and my boyfriend," explained horny childcare assistant Breanna. ***Have you had group shags before?*** "Yes, but only with other guys. I've been in the middle with three guys fucking me. It was intense and fun. But now it's my boyfriend's turn to get group fucked!" ***We bet he's not complaining about that. How are you finding these girls?*** "Well they're a bit harder to find than guys, so we might have to start using the internet and putting some ads up, but we just get contacted by loads of dudes." ***The internet is a lonely place.*** **WOULD YOU EVER GO TO AN ORGY?** "Definitely. It's something I'm very keen to try in the future. In fact, that's what kind of porn I watch most."

CHARLIZE // 29

ORANGE, NSW

Trust us, you wanna be around when Charlize gets bored. "When I've got nothing to do I usually start playing with myself," laughs the frisky farmer. ***Not got any fuck buddies you can call up?*** "Oh yeah, I've got heaps! But sometimes in the middle of the day it's just easier to slip my hand down my pants and have a little rub." ***What kind of fap fodder do you enjoy?*** "I love interracial porn. I like seeing big black guys fucking white chicks. That's such a turn on. Maybe because I've never slept with a black guy before." ***What's the craziest thing you've done sexually?*** "I'm a swinger, so I've been to sex parties and stuff before. There's not much I haven't tried!" **WOULD YOU EVER GO TO AN ORGY?** "Already have and I absolutely loved it!"

HOME GIRLS

GO HARD! GO HOMIES!

BLUE MOON // 21

BYRON BAY, NSW

"I recently did my first erotica shoot with my partner," says 21-year-old model Blue Moon. "What started off as 'implied erotica' quite quickly escalated. It is easy to get carried away when you're having fun in front of the lens." ***What do you have planned for your porn career?*** "I want to be a part of opening up nudity and sensuality to the wider world, encouraging others to enjoy and engage in 'sexploration' without feeling shame or embarrassment. I also want to see the stereotypical perspective on porn and sex workers change. It's normal to go and pay a musician to play a show, because you want music and to support their passion. But there is such a lack of appreciation for sex workers – everyone seeks pleasure but won't support those who want to provide it."

WOULD YOU EVER GO TO AN ORGY? "Yes, yes, yes! My partner and I really want to throw a 'pleasure party' someday. That's the dream."

ANGEL // 25

MORDIALLOC, VIC

If anyone has any RSI cures, they should flick them off to 25-year-old Angel. Because she's been flicking something else a lot lately. "I've been enjoying playing solo recently. I am just such a busy girl and there's no better way to wind down after a big hard day than indulging in a little self-love." ***Do you get out the gadgets or opt for low-emissions handiwork?*** "Both. You gotta have variety." ***What is your toy of choice?*** "My fave is always a vibe something with lots of speed and pattern options so I can take my time building up. I would love to try something double-ended. Hopefully with a pretty girl or a really adventurous guy." ***Ever used a butt plug yourself?*** "I have a really cute little one with a gemstone in it. It makes everything so much tighter." ***Sounds promising.***

WOULD YOU EVER GO TO AN ORGY? "I definitely will one day."

BEA // 21

QUEENSTOWN, NZ

"I recently tied a man up in bed," confessed 21-year-old Bedroom Babe Bea. "It was his idea but I happily went along with it." ***Was that the first time you've ever tried anything with ropes?*** "Yes, but I'd be excited to try it again. Except maybe I'm the one getting tied up. He seemed to be really enjoying himself." ***What did you do to the bound bloke?*** "Lots of teasing. I would touch and tickle him all over his body and just brush over his dick. Then I gave him the slowest blowjob ever and when he was rock hard I hopped on and rode him like crazy until he blew inside me." ***If you're looking for more volunteers to tie up, you know where to find us!***

WOULD YOU EVER GO TO AN ORGY?

"Maybe. It'd have to be with the right people and have an equal number of men and women."

$200 BEDROOM BABE

PELLA // 27

PORT MELBOURNE, VIC

"I love to show off my body," says generous Pella, 27. ***Sharing is caring. Where do you show it off?*** "I like to flash my friends and sometimes I flash random guys when I'm in the passenger seat of a car." ***We'll be keeping our eyes peeled. Do you like fucking outdoors, too?*** "I really enjoy the thrill of maybe getting caught." ***Strangest place you've ever had an alfresco fuck?*** "On a train. It was late at night and I was coming home with a guy I was seeing and all the bumps got us a bit toey, so he slid his cock out of his pants and I hitched up my skirt and sat on his lap. He only lasted about 30 seconds, but that was fine by me as we were nearly at our stop." ***Sounds like quite the ride.***

WOULD YOU EVER GO TO AN ORGY?

"Yes, I really want to, I just have to build up the courage. I love watching gang bang porn, so it would be the logical next step."

HAYLEY // 22

CARINDALE, QLD

Firemen beware! Hayley here is coming for your hose. "I need to fuck a fireman," reveals the 22-year-old. "Then I would have fucked all the emergency professions." ***Which has been the best so far?*** "The cop for sure. We got to use all his police utensils - cuffs, baton, you name it! He made me discover that I enjoy being dominated." ***You're normally the one in control?*** "Yeah, usually I take the lead, which I quite enjoy too, but it was nice to try something different and be far more submissive." ***What are your views on bum fun?*** "I tried it with an old boyfriend and didn't love it, so unless a new partner really wants to try it with me, I don't think I'll be doing it again. Not my cup of tea." ***At least you gave it a crack.***

WOULD YOU EVER GO TO AN ORGY? "No way, I'd be far too self-conscious with all those people watching me have sex."

HEATHER // 28

PARADISE, SA

"I got busted having sex by my flat mate last week," explained the 28-year-old caterer. "It was super embarrassing." ***She didn't fancy joining in?*** "No way, she's the biggest square. My boyfriend was fucking me doggy in the lounge room, when my flat mate walked into the room and we made eye contact and she froze up. She stood there for a few seconds staring straight into my eyes before quickly turning around and running out. I think I've scarred her for life." ***Maybe you gave her some ideas?*** "I doubt it. She probably thinks the only way you can have sex is missionary." ***Sounds like you need to teach the young lady a think or two!***

WOULD YOU EVER GO TO AN ORGY? "Maybe. I've never thought about it or been offered. Maybe after a few drinks I could be swayed."

HOME GIRLS

GO HARD! GO HOMIES!

MARIANNE // 22

DONCASTER, VIC

"I'm really into using butt plugs at the moment," says adventurous Marianna, 22. "They make everything down there feel tighter." ***Who got you into them?*** "A girlfriend was telling me about how she used one and it made vaginal sex feel better. I never really thought of that because I'm not too interested in anal, but it definitely does tighten up your pussy while you're being fucked." ***Any other sex toys you enjoy using?*** "Just my vibrator. That's perfect for when you're getting penetrated deep while riding cowgirl." ***Ever use it when you're by yourself?*** "No, I don't masturbate much at all. And when I do I just use my fingers." **WOULD YOU EVER GO TO AN ORGY?** "I don't think so. It would all be a bit much for me I think."

MEL // 41

WERRIBEE, VIC

Mel, 41, reckons she's the Scorsese of smut. "I'm getting very good at filming sexy home videos with my man," admits the Werribee local. ***What do you do that sets your films apart?*** "We like to mix it up between POV and just chucking the camera on a tripod and going for it." ***What's your fave?*** "I like the POV when he's holding the camera looking down at me sucking his dick. I think that's very sexy and always turns me on when I watch it back." ***Have you shared these videos with anyone? Or put them online?*** "Not yet. We're thinking of uploading them to PornHub but my partner is a bit worried in case someone he knows sees it." ***You're not worried about that?*** "I'm naked in a magazine, aren't I!?" **WOULD YOU EVER GO TO AN ORGY?** "Yes, definitely. Not by myself though, I'd want my partner to be there and have him watch me get fucked by other guys. That thought really turns me on."

SHARON // 26

WESTMEADOWS, VIC

Sharon here is a firm believer in the old adage that age is just a number. “I had sex with a 55-year-old recently,” confessed the barmaid. ***How did he compare to his younger counterparts?*** “He was great. I think older guys are way better in bed.” ***Why do you reckon that?*** “They’ve got more experience. They know what to do to make a girl happy.” ***Buy her a bottle of Passion Pop?*** “No, I find older guys are much better at going down on me. They might not have as much stamina, but that means they have to use other means to please – like their tongues!” ***Makes sense.***

She says it's an exit only passage." ***What do you two normally get up to between the sheets?*** "We have a few toys we like to use. I have a double-ended dildo which is great fun – we both put that inside us, then our vagina's meet in the middle and we rub our clits together." ***Oh, that's real choice! Smut casting agents should look no further than this 23-year-old aspiring starlet. "I love porn; it gets me off all the time. My man brings THE PICTURE mags home every week because he knows I like to look at them. I have made my own porn with him and the porn movie lasted about 45 minutes. We are planning to make another one in the near future." ***For major theatrical release?*** "No-one else gets to see it because it's too amateur." ***Gosh darn it.*** "I think everybody would be pissing themselves if they saw us." ***They'd probably be doing something else to themselves.*** "Any porn is awesome and great for your health. People who say they don't look at it are lying. I'd love to have sex with Kiki Vidis next." ***We'll let her know.*** **WOULD YOU EVER GO TO AN ORGY?** "Yes. I want to tick that off my to-do list this year."

I didn't enjoy the sex that much, either." ***Our hat goes off to ya. Are you seeing much ACTION at the moment?*** "No, I'm single and spending most of my time sleeping when I'm not at work. I go for tradies and can spot them straight away by their fluoro work shirts." ***What's so good about them?*** "They're manly, rugged and they can fix things!" **WOULD YOU EVER GO TO AN ORGY?** "Yep, but only if the people were hot."

I love the look of Aussie surfer guys, like him." ***You'd be looking forward to summer then, right?*** "Yeah, I love hanging out at the beach in my bikini. I'm single, too." ***Are you a firecracker in the sack?*** "I'm not giving too much away, but I can be hard work to get off if a guy doesn't know what he's doing." ***Have you ever been caught in the act?*** "Just once at Manly beach. I don't want to talk about it."

WOULD YOU EVER GO TO AN ORGY? "Yes, but I'd want to wear a mask."

"Yeah, I've had heaps of threesomes, but I only get it on with guys," she told us. "For some reason that's the only combo I like." ***Is someone giving you regular servings of meat? It's packed with iron, according to the Heart Foundation.*** "Yeah, there's this guy who I can get together with whenever I'm feeling horny, which is most of the time!" ***Do you go off in the sack?*** "I think I do, but you'd have to ask them. GIPPSLAND, VIC

"I'm a keen skinny-dipper!" exclaims an excited Sandra. "I swim naked every chance I get." ***Where's the most crowded place you've ever stripped and dipped?*** "In Croatia off a crowded boat. Over 100 people would have seen me butt naked!" ***Did you enjoy that?*** "I did. I think I'm an exhibitionist." ***It certainly sounds that way. Have you ever fucked in public though?*** "Yes, on that same trip actually. I met a hot American guy. He was one of those kind of frat football type guys, but he had a great body and we fucked on a headland overlooking the beautiful coastline." ***Sounds dreamy.*** **WOULD YOU EVER GO TO AN ORGY?** "I never say never, but I can't say that's something that I'm hoping to do any time soon."

TINA // 30

SPOTSWOOD, VIC

They say the way to a man's heart is through his stomach, but the way to Tina's heart is a little more to the south. "My partner has to go down on my regularly otherwise I won't date him." ***How often is regularly?*** "A few times a week at least." ***Do you return the favour?*** "Of course. I love sucking dick. I think giving and receiving oral sex can sometimes be more intimate than actually having intercourse." ***Where's your favourite place to root?*** "My bedroom. I have nice candles and soft lights that give it a really cosy feeling." ***Do many fellas get to check it out?*** "A lucky few do."

WOULD YOU EVER GO TO AN ORGY? "No way. That would be way too intimidating for me."

KIM // 24

Kinky Kim loved the idea of having a threesome right up until the moment her boyfriend stuck his pecker in the other sheila:

"We had our clothes off and were really getting into it, but then I got jealous and called the whole thing off. I kicked the girl out of my house and broke up with the bloke not long after." ***That didn't turn you off sex for good, did it?*** "Not at all. I like dressing up in lacy lingerie and getting into rough sex." ***Where's the weirdest place you've had sex?*** "In my neighbour's caravan. There was nowhere else to do it and it was raining. It was really fun." ***How many cars have you rooted in?*** "More than I can count - including this one that I shot in!"

WOULD YOU EVER GO TO AN ORGY?

"Maybe in the future."

SIN // 19

GOLD COAST, QLD

"Life's too short to spend your time banging just the one person," the Goldy goer reckons. "I'm never going to have just the one partner. It's a new way of thinking and there are more and more young people doing it." ***It's a whole new world. Have you ever had more than one partner at the same time?*** "Of course. I've been in a room with about eight people all fucking. There were dicks and tits and tongues everywhere. I love it." ***How many schlongs have you had at the one time?*** "I've Three. I was getting fucked doggy while sucking a guy off and I was wanking another guy." ***Women can multi-task!***

WOULD YOU EVER GO TO AN ORGY? "I've already been to a couple, but I would like to go to a big one with hundreds of people."

BRIT // 21

Blokes, form an orderly cue for this SINGLE 21-year-old babe-o-saurus. ***Can it be true, Brit?*** "What, that I'm single? Yes, I haven't found any good guys for a while and my sex life is shithouse. I want men who are good-looking, caring and smart." ***Have you checked Bunnings on a Saturday morning? Er… where do you hang out?*** "I'm a hell of a cook, I'm funny, I've been told I give a great blowjob, I love doing it doggy style and I love having a drink." ***Have you ever done something AWESOME when you're on the turps?*** "I once took off all my clothes and streaked across a local sports game in front of a heap of people – is that good enough?" ***You bet. What's the best meal you can cook?*** "I can cook a delicious pear and parmesan gnochhi. I'm great at cooking any Italian dish, really."

WOULD YOU EVER GO TO AN ORGY?

"Yep. Sounds like a lot of fun."

HOMIE OF THE WEEK

RUTH // 24

MAROUBRA, NSW

"I've started dating a girl," confesses the 24-year-old NYMPH. ***So have you converted to the comfy shoe brigade full-time?*** "I don't let myself be governed by social relationship constructs." ***Riiight...*** "Basically I just fuck whoever I want to fuck. If I find someone sexy and we both wanna bang, I don't care if you're man, woman or trans!" ***You must have a good insight into who's best at what between the sheets then?*** "I definitely do. It all depends on what mood I'm in though. Sometimes I want the soft cuddles of a beautiful woman, other times I just want to get dominated by a big tough man." ***You're getting the best of both worlds, Ruth.***

WOULD YOU EVER GO TO AN ORGY? "For sure. I was meant to go to one with an old partner but I chickened out, then we broke up. If the opportunity presented itself again, I wouldn't say no. Give me all the tits, dicks and pussies!"

"I fuck whoever I want"
